III. The Spiritual Battle of a faithful life

- A. We all know the story, Daniel in lions den is the classic account of one adversary came into the life of a Godly man. Before we see the adversary.
- B. See the Fairytale Shending before all

VS 1-3, Daniel had a prefered position above all the princes & presidents of the King. He had the favor of all the King's steps of God men and his friends. off you went in halibut, no horses ever, good man's wife, he had his hand over her, You will be in favor before all the world. Daniel had his staff captain and his Focal point of Satan's Battle. But the hairy walk, drew us the world from the wicked, off you do right there will come attacks / Merit is down, off not from co-workers & family from Satan. Especial in France Satan has

preyed, he will trust to prey, command it in prayer, How many of you busy difficult & difficult can withstand in pray, it has been a secret

D. See the Faithful Servant Bent to the Dismal the order of the King.

Dismal the endevours of wicked Satans Daniel presented in prayer. He should obey God rather than men. Daniel did most honest & honest promises of the King, Daniel knew his true character to get more before better, this was more, The King wanted all he can to prevent prayer, but you for right and pursue and petition to God.

IV. The Supernatural Blessings of a faithful prayer

S.A. oft don't look greater than our present here. Unrest, tried, sentence, death is not sure. Our prosperity here & hereafter here or B. Our Experience of the Power of God

VS 18-20 Daniel cast in the fire of lions for serving God, a wonder full was given to him that offering, Devil building dens, went there for a lion's attack heart, receiving, resolved to honor God but in natural fear, nothing happens open one eye, all present saw, he had his head in lap. & said it thus, I have been here in agony, saving Glory for God Story of Tracy, Event of your going to C. Our Experience of the Power of God

Phil 4: 6 Be careful for nothing but in everything but prayer and supplication, then knowing that your request is made known unto God create peace. What does one see up all night in misery and fret the King, PS 4: 8 I will both lay... no peace & sleep further laid out makes no dwell in safety Line forever oh King These weeks man may have slept over

that night, but there days or coming, The devil's day is a torment!

V. Young Preacher was asked to go on the road with an elderly well respected Master teacher. Daniel preached & expected to find a preacher in lines of length, Preacher before had, young Preacher found for it's hour on road and replied in kind, Thanks... old teacher
